PLEASE READ CAREFULLY, COMPLETE AND STORE SAFELY WITH PROOF OF PURCHASE

TO REGISTER YOUR PRODUCT AND ACTIVATE THIS WARRANTY, VISIT WWW.ALLIANCEAIR.CO.ZA

Terms of our comprehensive contractual warranty are as follows:

1. Subject to the stated terms and conditions, a warranty is given to the purchaser in respect of the Alliance Airconditioner, Model No. and Serial No. as listed on the back of this card ("product") for 60 months on the unit parts and 60 months on the compressor, from date of installation. This warranty is subject to servicing being maintained in line with the servicing standards as set out in the schedule on the back of this warranty card and in compliance with the corrosive environment requirements. **Should the product not be serviced as per the schedule, this warranty will become null and void.** This warranty only applies to products purchased on or after 1 October 2018.
2. **To activate this warranty, you must register the product at www.allianceair.co.za.**
3. This warranty covers defects caused by original manufacturing faults, defective manufacturing assembly, or faulty material. It does not cover defects as a result of incorrect installation or subsequent service, and is a **parts only warranty** that excludes labour costs. It also **does not extend to** repairs, replacement of parts, maintenance or service necessitated by normal wear and tear, incorrect operation, failure to properly maintain, use of improper cleaning methods, infestation by insects or vermin, maltreatment of the product, misuse or excessive use which will be use in excess of 70 (seventy) hours per week, connection to an incorrect voltage, power surges or load shedding, damage caused by lightning, accidents, flooding, fire, acts of God, public disturbances, accidental damage, rust and corrosion (due to the environment or otherwise), work carried out by persons other than an authorised Alliance dealer, or being incorrectly sized for the application/use required according to authorised dealer's or its representatives' recommendations. In cases of dispute, repairs, replacement of spare parts, maintenance and service shall be deemed to be beyond the scope of this warranty unless the purchaser is able to prove to the contrary.
4. During the period of the warranty, defects covered by the warranty will be repaired as per the schedule by the installing dealer (or other authorised Alliance dealer), with only the cost of the parts covered. Spare parts necessary for any repairs covered by the warranty will be supplied by the relevant Alliance Service Centre.
5. Alliance shall not be responsible, without limitation, for any charges for dismantling or reassembling the product for repair, any transportation or storage expenses, injury to persons or property, work stoppage, impairment of other goods, breach of contract, negligence or other such action as may be deemed or alleged to be cause of a loss or damage to a buyer, its agents or a customer.
6. **This warranty will lapse if any repairs whatsoever are carried out by any dealer other than a dealer authorised by Alliance.** An authorised dealer is a company that deals with Fourways Airconditioning. **The warranty will also lapse in the event of any unauthorised alteration to this warranty card.**
7. This warranty is not transferable. It is valid only for the original purchaser of the product. This purchaser will be the person who owns the product once installation is completed.
8. Any repairs carried out under this warranty will not extend the period of the warranty in any way.
9. Neither Alliance nor authorised Alliance service agents shall be responsible at any time during or after the period of this warranty for any loss or damage of whatsoever nature, whether general, special or consequential which may be caused or sustained by the purchaser, whether arising from, connected with or relating to any defect, fault or lack in the product, whether such inability is complete or partial.
10. This warranty is in addition to any warranty that may apply in law.

Should repairs become necessary DURING THE WARRANTY PERIOD, please phone the installation dealer as noted on the back of this warranty card or Alliance. For any repairs after the warranty period is over, contact your nearest authorised Alliance Dealer.

Contact Alliance or Fourways Airconditioning for a list of authorised installers and dealers for this product.
Installations and services by unauthorised persons will invalidate this warranty.

WARRANTY	
Period:	Covered:
First 60 months	Unit Parts only
First 60 months	Compressor Part only

TERMS AND CONDITIONS OF WARRANTY:

1. This warranty is applicable only to the original purchaser and provided the product has been serviced by an authorised Alliance dealer.
2. This warranty is **only valid if the product is serviced every 6 months** (at a minimum) as per the schedule below (or more frequently as advised by authorised Alliance installer):
 - Where installed in a **corrosive environment**, service should occur **monthly**.
 - Where installed in a **dusty or dirty environment**, service should occur **every 3 months**.
3. The product must be serviced by an authorised Alliance dealer in order for the warranty to remain valid.
4. You are responsible to ensure that the product is properly serviced and maintained and to keep the necessary proof thereof.
5. **For export:** Warranty applicable on a parts basis only, for collection in South Africa.

Corrosive environment requirements (non-compliance will invalidate this warranty):

- Corrosive environments include, but are not limited to, sea, mining and manufacturing environments.
- The product must have no direct line of sight to the source of the corrosive exposure or corrosive elements and must be surrounded by an appropriate corrosion barrier with adequate ventilation.
- All products installed within 500 metres of the source of the corrosive exposure or elements must be treated by additional protective treatments.

Contact Alliance or Fourways Airconditioning to discuss any concerns that you might have about the environment in which your product is installed.
